

A photograph of a middle-aged man with grey hair, wearing a white straw hat with a black band and a light blue short-sleeved button-down shirt. He is lying on his stomach on a grassy area, reading an open book. The background is a bright, slightly blurred outdoor setting, possibly a beach or park. The overall mood is peaceful and leisurely.

## Retirement looks different when you seek advice

Most of us have some idea about when we'd like to stop work (or at least - when we'd like to work a little less!). And inevitably we have some thoughts about what we'd like to do once we reach retirement.

Preparing for your retirement should be a positive experience. It feels great to know you'll be able to afford the lifestyle you want once you retire.

I would like to meet with you to help get your retirement income organised, sort your super and help you calculate any Centrelink benefits. There will be no cost for your first meeting, just the opportunity to review your personal situation and discuss your options.

I look forward to meeting with you. My phone number is **(07) 5593 0855**

Warm regards,

### **Amanda Cassar**
